Sir:

Greetings in Christ's mighty name!

Christian Colleges of Southeast Asia has been operating for Twenty (20) years now, as such, the school has always been visiting the Grade 12 graduating students of public and private schools in Region XI to promote its scholarship program. The school has been known for its unique offering of scholarships to graduating students. In fact, many student-recipient enjoyed the said scholarship and have successfully graduated in their fields of choice. This scholarship is funded/sponsored by a foreign philanthropist who has a big heart to extend help to the poor but deserving graduates of public and private secondary schools in Region XI. Thus, it is our desire to visit and promote our scholarship grants to this year's graduating students from different schools in the Davao region. It is also our objective that through this offering we will be able to help the students most especially those who are qualified to avail of the scholarship and whose parents are not able to send them to college.

In this connection, we would like to ask permission from your good office to allow us to visit the different public and private schools in the Davao region in accordance with our pre-planned schedule of visits to the schools. This school visit campaign will start on March 1, 2024 up to May 31, 2024. Our visitation will be conducted during weekdays from Mondays to Fridays. Rest assured that we will coordinate with the Division Superintendents and ask permission from every school principal we will visit to avoid disruption of classes.

Your favorable support and positive response to our request will be greatly appreciated and would be of great help to the graduating students.

Thank you and more power.

Respectfully yours,

REV. WILMER G. HECHANOVA
College Director
