Dear Director Farnazo,

Invitation to the National Launch of the Forest Education Teachers' Guides and National Teachers' Training

The Food and Agriculture Organization of the United Nations (FAO) would like to thank the Department of Environment and Natural Resources (DENR) and the Department of Education (DepEd) for their support to the implementation of the "Forests for a sustainable future: educating children" project that is being implemented by FAO with the two agencies to increase forest literacy, or awareness of forests and the need to manage them sustainably, among Filipino children.

I am pleased to inform you that with the support and participation of the Project's Technical Working Group composed of representatives from the different bureaus of DENR and DepEd, the project has already completed the quality assurance review and pilot testing of the Forest Education Teachers' Guides for Grades 4 to 6 Science and Grade 6 Technology and Livelihood Education (TLE), which have been developed through the support of the project.

The project is finalizing the said materials in time for the scheduled **National Launch of the Forest Education Teachers' Guide and National Teachers' Training from 29 February to 01 March 2024** at the Sequoia Hotel in Timog, Quezon City.

In this regard, we would like to invite a **Grade 5 Science Teacher** of any public elementary school in Davao City (most preferably, one who has been trained or is presently a trainer of the National Educators Academy of the Philippines or NEAP) to participate in the national launch and training event.

The project shall shoulder the teacher's transportation and travel expenses from his/her base to the venue, and back, as well as his/her hotel accommodation from 2:00 p.m. of 28 February 2024 until 12:00 noon of 02 March 2024. Attached is the activity design with some important instructions for his/her reference and perusal.

We kindly request for the confirmation of attendance of the invited DepEd personnel on or before **16 February 2024 (Friday)** with Yakap Kalikasan, our event facilitator, through Ms. Janet B. Martires at wangits65@gmail.com or at telephone numbers 09174080263 or 09055478296, or Ms. Leah Blesclia Labastilla at lbastilla@gmail.com or at telephone number 09357897867. An early confirmation will allow us enough time for flight reservations for the invitee.

Thank you for your attention to this matter. We look forward to the participation of the above mentioned DepEd personnel in this significant event.

Sincerely yours,

Lionel Dabbadie
FAO Representative
