RE: Request for Endorsement

Dear Dr. Farnazo:

Madayaw na adlaw!

The **Mathematical Society of the Philippines Davao Region Chapter** is a duly recognized chapter of the Mathematical Society of the Philippines (MSP). This society is an academic, non-stock, non-profit, non-sectarian and a non-partisan organization. This organization shall carry out activities in the pursuit of the following objectives: a) To promote interest in and awareness of mathematics and its applications; b) To propagate knowledge in mathematics and mathematics education; and c) To promote mathematical research.

MSP Davao Region Chapter intends to conduct an **Online Lecture Series** for Senior High School, Undergraduate, and Graduate students and teachers from the different schools, colleges, and universities here in Davao Region. The event is scheduled on **04 May 2024** from **9 AM-12 PM via Zoom**. Two lecturers from University of Houston-Downtown will be invited to give lectures on their mathematical research topics. Since this is a virtual activity, **no registration fee** will be collected from the participants. However, they would need to pre-register to get access to the said activity thru this link: <https://forms.gle/DM36daAX3epakybr5>. Certificates will also be given to all registered participants who have submitted the evaluation form at the end of the activity.

In line with these, we would like to seek the endorsement of DepEd XI for this activity. We would like to invite students and teachers from all Senior High Schools in the Davao Region who have background, interest, or currently teaching or working on papers related to math or math research. Should you have any questions, clarifications, or concerns, please feel free to contact us at mspdavao@gmail.com. We look forward to your support and positive response to this request. Thank you very much.

Sincerely,

May Anne E. Mata, Ph.D
MSP Davao President
