Regional Director  
Office of the Regional Director  
Department of Education- Region XI

Dear **RD Farnazo**,

The **Philippine Association of Food Technologists Inc. Lambda Chapter (PAFT- λ)** is a duly recognized course-based organization at the University of the Philippines Mindanao. It is the organization's goal to promote Food technology as a science-based course significant in the development of the food industry and society. For 21 years, the organization has established its significance in the establishment of excellent Food technologists from UP Mindanao who exemplify core values developed through multiple activities conducted on and off-campus.

As part of the organization's annual event and mandate to promote the degree program, the organization will bring back **Panagtiglay 2024** with a theme **"Scooping up Young Mind into Food Science and Technology"**. This event aims to provide platforms to expose senior high school students to food science and technology that promote intellectual development and nurtures passion for creativity. It aims to establish linkages to different schools by gathering brilliant students across the Davao Region through a form of quizbowl and poster making contest. Moreover, the event is also an avenue for the promotion of the BS Food Technology program to students as well as the University of the Philippines Mindanao. The annual activity is a **whole day event** to be conducted at the **University of the Philippines Mindanao Atrium & Mini Theatre on April 05, 2024, from 10:00 AM - 5:00 PM.**

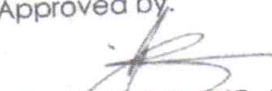

With that said, we would like to formally **ask for permission to conduct the event**. With this, we humbly request a memorandum from your office to give assurance to the participating schools that the event is approved by the Department of Education. Attached herewith are the guidelines and mechanics for the event.

We believe that this initiative mirrors the values of our institution and is a great way to show our commitment for public service and community engagement. Should we be permitted to do the aforementioned activity, we would responsibly use this opportunity to really reach out and build rapport with the community we promised to serve.

Sincerely yours,

  
**KIM EDREICH F. AYUBA**
