SUBJECT : **USE OF DEPED PARTNERSHIPS DATABASE SYSTEM
(DPDS) IN REPORTING PARTNERSHIP ENGAGEMENTS**

DATE : October 24, 2019

The DepEd Partnerships Database System (DPDS) is an online system developed by the External Partnerships Service (EPS) in coordination with the Information and Communications Technology Service (ICTS) to consolidate the assistance provided by public and private sector partners to public schools.

On May 2019, ICTS turned over the DPDS to EPS as the process-owner of the system. The information on the DPDS access and procedure is detailed in the attached Annex A.

All Regional Offices (ROs), Schools Division Offices (SDOs), public schools and learning centers are expected to use the DPDS as the official reporting system of the partnership engagements within the Department to cover all interventions received starting January to December 2019.

With regard to Brigada Eskwela implementation, all partnership engagements shall be included in the DPDS; however, for 2019, Division should also accomplish BE Form 1 and 1.1.

The ICTS also created a support system to attend to DPDS concerns as follows:

email add : support.dpds@deped.gov.ph

Our EPS personnel will conduct random monitoring and evaluation of DPDS implementation and consolidate issues, concerns and recommendations to further improve the system.

For your compliance.
