April 15, 2024

Dr. Jinky B. Firman, CESO VI

Schools Division Superintendent
Panabo City

Dear Dr. Firman,

Greetings in Veritas Et Fortitudo, Pro Deo Et Patria!

I am writing to follow up on our previous communication regarding the endorsement of our upcoming event, the Engineering Discovery Day 2024, to the schools under the jurisdiction of the Department of Education.

The Engineering Discovery Day 2024 is a pioneering event hosted by the Lyceum of the Philippines Davao (LPU-Davao) College of Engineering. The event aims to provide G12 STEM senior high school students with a unique opportunity to explore the dynamic world of engineering and technology through engaging presentations, interactive workshops, and exciting competitions.

We believe that the endorsement of the Department of Education will greatly enhance the reach and impact of our event, allowing us to engage with a wider audience of students and educators.

We kindly request your assistance in endorsing the Engineering Discovery Day 2024 to the schools within your jurisdiction, encouraging them to participate and avail of the valuable learning opportunities offered by the event. Your support and endorsement will play a crucial role in ensuring the success of the event and in inspiring the next generation of engineers and innovators.

Please note that the Engineering Discovery Day 2024 is scheduled for May 10, 2024. Additionally, we would like to extend the deadline for submission to April 26, 2024, to accommodate any logistical considerations.

If there are any specific requirements or procedures for obtaining the endorsement, please do not hesitate to inform us, and we will promptly comply with them.

Thank you for considering our request, and we look forward to your favorable response.

For any questions and clarifications please coordinate with my office. You may reach out to through lester.pelias@lpudavao.edu.ph and 09688515991 / (082) 228 5783 loc. 225 .

Sincerely,

Engr. Lester Dave L. Pelias, ME-CpE
Associate Dean, College of Engineering

LPU DAVAO

STAYING AHEAD OF THE CURVE

LPU DAVAO TIMELINE

LPU Davao started construction of its Phase 1 Buildings namely Jose P. Laurel Hall and Sotero H. Laurel Hall.

2017

LPU Davao had a few first for this year; the Admissions and External Relations Office (AERO) staff went to different private schools in Panabo to kickstart its school marketing campaign and later on gathered all educators in the region for its Educators' Conference conducted in Grand Men Seng Hotel.

2018

This year marked the start of classes for the Trailblazer Batch of LPU Davao with 330 Junior College (SHS) and 220 College students officially enrolled. Prior to the start of classes, LPU Davao organized the first Young Leaders Congress and attracted over 500 student leaders from Mindanao.

2019

Amidst the pandemic, LPU Davao introduced three new college programs and implemented virtual classes through LPU E-FLEX, its official Learning Management System.

2020

LPU Davao embraced the new normal, hosting virtual events like #LPUDavaoLeadCon2021 and #LPUDavaoFoundationWeek2021, and marked a milestone with its first-ever virtual Junior College Commencement Exercise, showcasing innovative COVID-19 response.

2021

Welcome back, Lyceans! LPU Davao pioneers limited face-to-face classes in our region, featuring a new hybrid approach with 80% in-person instruction and 20% online learning.

2022

LPU Davao pursued ISO 21001 certification and PACUCOA accreditation, aligning with its vision to be a globally recognized, innovative university dedicated to excellence in service by 2040.

2023
