Greetings from DITO Telecommunity!

DITO Telecommunity Corporation is a telecommunications company in the Philippines that is engaged in the business of multimedia and information technology. We are here to provide Filipinos with fast and reliable data and lay the foundation for building telecommunities nationwide. We aim to connect every Filipino to the people, places, and things that most matter to us. To help everyone find their tribe, be part of a bigger Telecommunity, and see a day where data access is no longer a privilege but a right for everyone.

In line with our goal to increase DITO's visibility and connect users through brand-building awareness, we propose a partnership with DepEd Panabo in alignment with your calendar of activities. Additionally, we kindly request permission to conduct school visits under your supervision to sell prepaid and postpaid products. We will ensure that no classes are disrupted during these visits and will coordinate with school principals to guarantee minimal impact.

We hope to set up an appointment meeting with you to discuss this potential partnership further with DITO Telecommunity. You may contact me through my email address angelo.lintag@dito.ph and mobile number 09910135671.

Thank you
Regards,
Angelo Lintag
