DEPARTMENT OF EDUCATION ROXI

Dear Dr. Farnazo:

Greetings of peace and solidarity!

We are pleased to inform you that the Philippine Librarians Association, Inc.-Davao Region Librarians Council (PLAI-DRLC) will be hosting a three-day seminar-workshop titled "**Tomorrow's Libraries: Navigating the Waves of Change in the VUCA World**" from **September 4-6, 2024**. This event will take place at AVR 4, Library Building, UM Matina Campus, Davao City.

The event aims to:

1. Provide a comprehensive understanding of quality assurance frameworks like ISO, AUNQA, and PQA, while equipping participants with practical skills for their implementation, maintenance, and continuous improvement in their organizations.
2. Teach participants how to use social media marketing, free technologies and effective content strategies to expand their library's reach and engagement
3. Equip library professionals with knowledge of cybersecurity threats, best practices for protection, and effective response strategies.
4. Enhance librarians' understanding of resilience and equip them with practical skills to develop and maintain resilience in the face of challenges and stressors.
5. Provide practical strategies for librarians to implement one-minute management techniques in their daily workflows.
6. Guide participants in developing comprehensive disaster preparedness policies, assessing risks and vulnerabilities, and implementing effective emergency response and recovery strategies for libraries.
7. Provide updates CHED XI's activities and programs related to the Library and Information Science Profession.

Furthermore, the event highlights the following:

- a. Fellowship night, themed "**DRLC Goes Bollywood: Librarian's Night to Remember**", designed to foster socialization among librarians in the Davao Region on September 5, 2024, from 5:30 PM to 8:30 PM at the same venue.
- b. Annual General Assembly aimed to gather members to discuss updates and issues concerning libraries and member's welfare in the Region.
- c. MOA signing of the Library Resource Sharing Program to include the new members.

A registration fee of **Four Thousand Pesos (Php4,000.00)** for the professionals and **Two Thousand Pesos (Php2,000.00)** for the undergraduate students inclusive of kits, certificates, and the honorarium of resource speakers. CPD units is being applied for this event.

In line with this, we **RESPECTFULLY REQUEST** your office to endorse this event as we highly believe that this will help develop competencies of librarians in today's new learning environment and prepare undergraduate BLIS on what lies ahead of them after finishing their degrees. For your guidance, we have attached pertinent documents for the detailed information of the event.

We look forward to your favorable reply on this request. Thank you very much.

Very respectfully yours,

*Conradito*

## **INSTRUCTIONAL DESIGN**

### **I. Seminar-Workshop Title: Seminar-Workshop on Tomorrow's Libraries: Navigating the Waves of Change in the VUCA World**

#### **II. Seminar-Workshop Brief Description:**

The seminar-workshop is designed to give library professionals the know-how and abilities they need to succeed in a changing environment that is volatile, unpredictable, complex, and ambiguous (VUCA). The session will examine cutting-edge methods, trends, and approaches to future-proof libraries. To ensure that their libraries stay relevant and responsive in the face of constant change, participants will participate in interactive and lecture-style sessions that will help them develop resilience, flexibility, and forward-thinking techniques.

#### **III. Date and Venue**

September 4-6, 2024

AVR 4, Library Building, University of Mindanao

Matina Campus, Ma-a, Davao City

#### **IV. Target participants**

Educators, Library Administrators, Librarians, Library Staff, MLIS, and BLIS students

#### **V. Teaching/Learning Methods**

Resource persons and speakers present their topics in a lecture type complete with PowerPoint presentations, and utilizing the most appropriate presentation techniques to an audience as varied as the PLAID-RLC participants. An Open Forum will follow each oral presentation where questions will not just be answered, but further clarified for the best opportunity for everyone to understand the topic at hand. The speakers are also encouraged to administer a paper and pencil test to determine the concentration and absorptive ability of the participants. An evaluation per speaker, as well as the entire activity will be conducted at the conclusion of the conference and fair.
