Dear Dr. Firman,

Greetings of hope!

We are pleased to invite you or your representative to the **Adolescent Health and Youth Development Program Partners' Meeting** scheduled for **August 28, 2024, from 8:00 AM to 5:00 PM** at **Molave Hotel, Tagum City**.

With the increasing health risks among our adolescents and youth—such as teenage pregnancy, suicide and depression, sexually transmitted infections (STIs), HIV and AIDS, early sexual involvement, and the impact of broken families—it is imperative that we take collaborative action. Our goal is to develop holistically healthy young people in Davao del Norte. However, this ambitious endeavor cannot be accomplished by any single entity alone. We need your valuable participation, alongside other government, and non-government organizations, to make a meaningful difference for the next generation.

The objectives of this meeting are to: inform our partners about the latest updates of the Adolescent Health and Youth Development Program; discuss the services that each agency can offer to support the youth in the province; present the draft of the Ordinance for Key Assistance in Developing Adolescents (KADA Network) and strengthen connections among multi-sectoral stakeholders who are dedicated to working with and for young people.

Your presence at this meeting would be highly valuable, and we believe that together, we can create a significant impact on the lives of our youth.

Please confirm your attendance by contacting the **Provincial Adolescent Health and Youth Development Program Coordinator, Ms. Christy Carole "Kring" Sanico** at **0948-828-8769**. We look forward to your positive response and continued support.

Thank you for your dedication to the well-being of our youth.

Truly Yours,

ALREDO A. LACERONA, MD
Provincial Health Officer II
