Dear. Dr. Firman,

Greetings of Hope!

We are pleased to invite your student leaders in an upcoming training event titled **Capability Enhancement Activity for Peer Support**, scheduled to take place on **August 30, 2024, at the Panabo City Teen Tambayan Center for Adolescent's Rights**. This event is specifically designed for student leaders in Panabo City, with the goal of equipping them to serve as Peer Supporters and Peer Facilitators within their respective schools.

In today's challenging environment, the mental and emotional well-being of students has become a critical focus. By developing skills in peer counseling and support, student leaders can play a pivotal role in helping your peers navigate these challenges. This training will cover essential topics, including **Self-Awareness, Basic Counseling Skills, Stress and Anxiety Management, and Self-Care for Peer Facilitators**.

We believe that your participation in this event will not only enhance your ability to support your peers but also contribute to a more compassionate and understanding school environment.

We are inviting **25 student leaders** from across Panabo City to join us in this initiative. Your presence and active involvement will be highly valued and appreciated.

Should you have any questions or need further information, please feel free to reach out to **Ms. Christy Carole "Kring" Sanico**, our Provincial Adolescent Health and Youth Development Program Coordinator.

We look forward to your positive response and your active participation in this important initiative.

Truly Yours,

ALREDO A. LACERONA, MD
