Dear Ma'am Firman:

Greetings of Peace and Good Health!

The Provincial Health Office through Nutrition Section would like to conduct a meeting to discuss the nutritional status of school-aged children within our community. As we are aware, proper nutrition is crucial for the growth and development of children, and it significantly impacts their academic performance and overall well-being.

We would like to explore the current nutritional programs in place, share insights of the observations, and discuss potential strategies for improving the nutritional status of our students. We believe that collaboration between the nutrition focal of the province and the DepEd nurses can lead to effective solutions that benefit the children in our schools.

In line with this, may we request the presence of **Ms. Maria Susette Flores, RN** to attend the aforementioned event. The meeting is scheduled on **September 27, 2024, 8:00 AM-5:00 PM** and will be held at **Caballero Function room, SP Building, Capitol Compound, Tagum City**. We believe that your insights and guidance would be invaluable as we explore specific topics or issues that will be tackled.

For more queries you may contact **Sunshine Angelie Soreno, RND- Nutritionist Dietitian I** through her mobile number 09515529516.

Looking forward for your positive response on this request.

Thank you and best regards.

Respectfully yours,

**ALFREDO A. LACERONA, MD**  
Provincial Health Officer II
