JINKY B. FIRMAN

School Division Superintendent
Panabo City

Dear SDS Jinky B. Firman:

Warm Greetings from AMYA Polytechnic College!

An educational institution dedicated to providing quality education and empowering students through various scholarship programs and academic initiatives.

As part of our commitment to support students in making informed decisions about their future educational and career paths, we would like to request approval to conduct career guidance sessions across schools within the Davao Division.

These career guidance sessions aim to:

1. **Inform students of various academic and vocational opportunities** available to them upon graduation from Junior and Senior high school.
2. **Provide insights into different career paths** and the educational requirements necessary for these careers.
3. **Introduce our scholarship programs** designed to assist deserving students in pursuing higher education with minimal financial burden.

We respectfully seek your approval and support in coordinating with the schools within the Panabo City to facilitate these career guidance sessions. Our team is fully prepared to adhere to any guidelines and protocols set forth by the Department of Education to ensure that the sessions are conducted smoothly and beneficially for the students.

Should you require any further information or wish to discuss the details of our proposal, please feel free to contact us at your convenience. We can be reached at 0961-986-1853 or 225-2948 or via email at cees.amyapci@gmail.com.

Thank you very much for your time and continued support of educational initiatives that benefit our students.

Respectfully yours,

MARK JOSEPH G. NIPAS, MHTM, CHP, CTP
Director, Quality Assurance and External Affairs
