Please be informed that **Mega Glory Young Ventures**, is pleased to introduce a promising initiative aimed at enhancing the awareness and protection of eye health among the school community for the continuous efforts to prioritize the health and well-being of our learners and educators in Panabo City Division.

To ensure the success of this initiative, we encourage all school heads to support the introduction of these eyecare products by facilitating their promotion and distribution within your respective schools. The goal of this collaboration is not just to provide students and faculty with access to these products, but also to foster greater awareness of eye health and preventive measures to avoid future vision problems.

In this, Mega Glory Young Ventures will be conducting a series of orientations and demonstrations for all interested schools. These activities will focus on the importance of eye health, the proper use of their products, and their benefits in maintaining good vision, especially in an academic setting provided that this office informs the field that the teacher and learner participants is on voluntary subject to the policy on "No Disruption of Classes" as per DepEd Order No. 9, s.2005 entitled, "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith" and the "No Collection Policy" stated under Section 3 of Republic Act No.5546 an Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for whatever project or purpose from Students and Teachers of Public and Private Schools, Colleges and Universities.

Dear Ma'am Firman,

Warmest Greetings!

It gives us great pleasure to introduce Mega Glory Young Ventures, Inc. (MGYVI), the official and sole distributor of Mega Gloryoung International here in the Philippines. Our company sells/distributes the FIRST AND ONLY IN THE WORLD, 8-in-1 eyewear, apparel, and other products.

As the company cares about the danger of exposure to electromagnetic radiation that currently exists around us due to the inevitable enlargement of technology, we, therefore, wanted to contribute to the Philippines society a healthy life with our MGI quality health products.

Through nanotechnology, elements like Negative Ions, Germanium Stone, Far Infrared, Nano Silver and 72 minerals were embedded into each item that helps in the improvement of eye problems such us; Astigmatism, Glaucoma, Cataract, Pterygium, Lazy eyes, Near and Far sightedness and Floater eye. Also those who are complaining of migraines, neck and back pains, muscles and joint pains, sleeplessness, etc., find relief in wearing the apparels.

Furthermore, MGYVI, is carrying out a CSR program under the umbrella of Glaucoma Society, the Floater Eye Association, and the Ionspec Foundation, helping out individuals who are suffering from Glaucoma, by giving a free medical glasses.

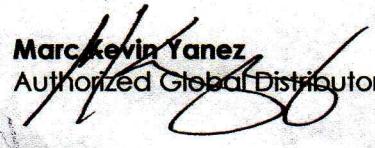

It is of this intent that we are requesting from your good office to allow us conduct a short presentation and demonstrate the full benefits of our products through Mr. Marc Kevin Ybanez in all public schools in the city.

Thank you very much for granting our request.

Sincerely Yours,
