Panabo City, Davao del Norte

Dear **SDS Firman**:

Kalinaw!

In light of increasing global challenges, the need for sustainable scientific innovations has become more critical than ever. To contribute to this effort, this school year's *Pakiglambigit* Program is again partnering with DOST XI on **November 12, 2024, from 8:00 to 5:00 PM, in Davao City**. The exact venue will be announced once it is finalized. This event is part of the **Regional Science, Technology, and Innovation Week (RSTW) - Davao Region** celebration from November 11-12, 2024.

The primary objective of this *Pakiglambigit* initiative is to empower teachers, and in turn, their students. This event will focus on equipping teachers with the skills to integrate the United Nations' Sustainable Development Goals into their curriculum. A series of lectures and hands-on activities will be conducted to provide teachers with the necessary tools and knowledge for developing sustainable scientific investigative projects. To ensure the legal protection of these projects, the day-long event will conclude with a session on how to register intellectual property with the Intellectual Property Office of the Philippines (IPOPHIL).

In this regard, we request your assistance in identifying STEM teachers to participate in the program. Each division should send its representatives, accompanied by their respective Education Program Supervisor. We have allotted a **total of three (3) participants** from your division. We also request that the travel expenses for participating teachers be covered by their respective MOOE funds.

Further, the following topics will be covered during the program:

- *United Nations' Sustainable Development Goals in Science Education*
- *Presentation of Research in Chemistry*
- *Research Statistics*
- *AI Research Tools*
- *Copyright: Registering Works with IPOPHIL*
- *Application of Renewable Energy in Alternative Farming*

For any questions and clarifications, kindly contact Ms. Michelle Anne C. Belenson, PSHS-SMC's *Pakiglambigit* Program Coordinator at macbelenson@smc.pshs.edu.ph or through her cellular phone number +639380346569. You may also reach Ms. Leselle I. Abatol of the Provincial Science and Technology Office - Davao del Norte at 0925-798-2414 or email psto.davaodelnorte@region11.dost.gov.ph.

Thank you very much. Keep healthy and safe!

Sincerely,

DR. JONALD P. FENECIOS
Campus Director, PSHS-SMC

DR. ANTHONY C. SALES, PFT, CESO III
Regional Director, DOST XI

CONFIRMATION SLIP

Pakiglambigit: Creating and Safeguarding Sustainable Science Investigative Projects
November 12, 2024, in Davao City

If attending:

Name(s) of Participants: _____

Position(s)/Designation: _____

School: _____

Mobile number(s): _____

Dietary restrictions, if any: _____

Email the filled-out confirmation slip to macbelenson@smc.pshs.edu.ph and psto.davaodelnorte@region11.dost.gov.ph
