Subject: **DISSEMINATION OF THE REGIONAL GUIDELINES IN THE ASSESSMENT AND CERTIFICATION OF ADOLESCENT-FRIENDLY FACILITIES IN DAVAO REGION**

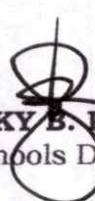

Date: October 7, 2024

Attached is Regional Memorandum No. ESSD-2024-401 dated September 20, 2024 re: **Regional Guidelines in the Assessment and Certification of Adolescent-Friendly Facilities in Davao Region**, which was formulated by the Department of Health-Davao Center for Health Development (DOH-DCHD) in coordination with the Commission on Population and Development (CPD) XI and Department of Education Regional Office XI- Education Support Services Division (DepEd RO XI- ESSD). This highlights the roles of various setting of providing adolescent-friendly services to address the increasing risky behaviors and numerous concerns of adolescents.

With this, all schools are encouraged to **establish/reactivate their learner support centers (LSCs) or Adolescent-Friendly Facilities (AFFs), which include the school-based teen center**, in order to provide adolescent-friendly services. Enclosed is a copy of DOH- DCHD Order No. 2024-0003, contents of which are self-explanatory.

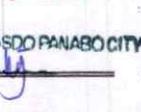

For queries, you may contact Desirée Loren L. Barabat, RN, MAN, Division ARH Focal at desireeloren.barabat@deped.gov.ph or at 0985-555-2997.

For your guidance and compliance.

REGIONAL MEMORANDUM
ESSD-2024-401

To : Schools Division Superintendents

Subject: REGIONAL GUIDELINES IN THE ASSESSMENT AND CERTIFICATION
OF ADOLESCENT-FRIENDLY FACILITIES IN DAVAO REGION

Date : September 20, 2024

Due to the increasing risky behaviors and numerous concerns of adolescents that need to be addressed at all levels and to highlight the role of the various settings in providing adolescent-friendly services, the Department of Health - Davao Center for Health Development (DOH-DCHD) in coordination with the Commission on Population and Development XI and Department of Education Regional Office XI through the Education Support Services Division, formulated the Regional Guidelines in the Assessment and Certification of Adolescent-Friendly Facilities in Davao Region which includes school-based teen centers.

Further, schools are encouraged to establish/reactivate their learner support centers (LSCs)/adolescent-friendly facilities (AFFs) to provide adolescent-friendly services. Enclosed is a copy of DOH-DCHD Order No. 2024-0003, contents of which are self-explanatory.

Immediate and wide dissemination of this Memorandum is desired.

DCHD ORDER

NO. 2024 - 0003

SUBJECT: REGIONAL GUIDELINES IN THE ASSESSMENT AND CERTIFICATION OF ADOLESCENT-FRIENDLY FACILITIES IN DAVAO REGION

I. Background and Rationale

Adolescents, like all people from all age groups, should be given every opportunity to realize their rights to attain the highest standards of health and well-being, so that they will contribute to greater social and economic development.

As health service providers, it is imperative that we ensure that all adolescents live healthy lives with access to proper health care and education and have a better foundation to grow to their full potential as adults.

However, adolescents are exposed to various dangers due to their mobility and risk-taking behaviors. In recent years, issues such as early pregnancy, STIs including HIV and AIDS, substance use disorder, violence and mental illness threatened to derail the vision of adolescents becoming healthy and productive citizens in the region. Many adolescent disease and injury burdens are preventable or treatable, but are often neglected.

The Department of Health – Adolescent Health and Development Program recognizes the role of different partner agencies and organizations/ institutions in ensuring that adolescents and youth have access to comprehensive services in an adolescent-friendly environment. The DOH Administrative Order no 2013- 0013 series 2013, laid down the Adolescent Health and Development Program strategies to include: *“Improving access to quality and adolescent-friendly health care services and information for adolescent, including access to quality hospital and healthcare facilities following the National Standards and Implementation Guide for the Adolescent-friendly Health Services and utilizing various settings outside the health system, such as schools, cruising sites, and social media, to promote adolescent health”*

Due to the increasing risky behaviors and numerous concerns of adolescents that needs to be addressed at all levels; and to highlight the role of the various settings in providing adolescent-friendly services, the DOH- DCHD Adolescent Health and Development Program in coordination with different National Government Agencies such as the Department of Education and Commission on Population and Development, formulated this regional guidelines to provide policy direction and sustainability in the assessment and certification of Teen Centers as Adolescent-friendly Facilities.

II. Objectives and scope

This aims to provide guidelines in the assessment and certification of Adolescent-friendly Facilities in all settings within Davao Region.

Specifically, this is to:

1. Ensure that all teen center facilities in the region are certified as Adolescent-friendly Facilities;
2. Encourage health facilities to work towards compliance to "adolescent-friendly health facility" certification requirements as defined by the National Standards for the provision of Adolescent Friendly Health Services;
3. Establish functional adolescent-friendly facilities in other settings such as schools and communities/barangays in reference to the National Standards for the provision of Adolescent-friendly Health Facilities.
4. Serve as reference for the provision of incentives; and
5. Create model facilities as learning sites in the provision of adolescent-friendly services as a way for other LGUs and partners to learn from.

III. General Guidelines

1. Assessment and certification of health facilities (hospitals, RHUs, and BHS) shall be in accordance to Department Memorandum no. 2017- 0098 utilizing the Monitoring Checklist for Level I, II and III AFHFs.
2. The DOH DCHD- Adolescent Health and Development Program in coordination with Department of Education XI and Commission on Population XI and other partners, shall utilize the monitoring and assessment tool for other adolescent-friendly facilities/ settings such as school-based and community-based teen centers (other facilities not in the school and/or healthcare facilities) in reference to the National Standards and Implementation Guide in the Provision of Adolescent-friendly Health Services (see annex B).
3. Assessment and Certification Core teams shall be organized at the regional and provincial level, which shall be composed of the Regional AHDP Coordinator, ARH Focal Persons from DepEd XI and Commission on Population XI, selected Regional Program Managers from different health program components of AHDP, and other identified partners.
4. The Provincial Assessment and Certification Core Team shall be composed of the following, but not limited to:
 - a. PDOHO/ DMOs assigned per LGU
 - b. Provincial AHDP Coordinator
 - c. Provincial Health Education and Promotion Officers
 - d. Population Officers - Adolescent Reproductive Health Focal Persons
 - e. ARH Coordinator of the different Schools Division Offices; and
 - f. Other identified partners at the province level

Certification of ALL facilities shall be in accordance to the following process:

4.1 Level I Certification:

- a. Submission of letter of intent and Self-assessment for Level I certification to Provincial AHDP Coordinator / PHO.
- b. Schedule of visit for initial and/or final assessment and certification by the Provincial Core Team.
- c. Issuance of Certificate for Level I - AFHF by the Provincial Health Office, in concurrence with other members of the core team.

4.2 Level II Certification:

- a. Submission of letter of intent, attached copy of the Level I Certificate, issued by the PHO and self-assessment for Level II to the DOH DCHD – AHDP Coordinator, to be endorsed by the Provincial Core Team/ PHO.
- b. Assessment of documents / requirements, as appropriate.
- c. Schedule of visit / final physical assessment by the Regional Core Team.
- d. Issuance of Certificate for Level II – AFHF by the DOH DCHD, in concurrence with other members of the core team.

4.3 Level III Certification:

- a. Level III Certification for Health Facilities (Hospitals, RHUs, BHS) shall follow the previous guidelines set, unless otherwise revised by the DOH – Central Office.
 - 4.3.1 Submission of requirements for Level III certification to National AHDP Coordinator thru regional office
 - 4.3.2 Assessment of documents / requirements, as appropriate.
 - 4.3.3 Conduct of final assessment and issuance of certification by the DOH – Central Office.
- b. Level III Certification for both School-based and Community-based AFHFs is currently not applicable and is subject for issuance of guidelines from the national office.

6. All certified Adolescent-friendly facilities are subject to regular monitoring of functionality by the regional and provincial core teams and will undergo re-certification every 2 years.

IV. Monitoring and Assessment Tools

The monitoring and assessment tools to be utilized shall be in accordance to the following:

- a. For Health Facilities (hospitals, RHUs, BHS) – AO 2017-0098 “Adolescent-friendly Health Facility Evaluation Tool” (see Annex A)
- b. For School-based Facilities – see Annex B
- c. For Community-based Facilities and other settings other than health and school-based – see Annex C
