Public Schools District Supervisors  
School Heads of Public Elementary and Secondary Schools  
All Concerned

Subject: **CONDUCT OF URINALYSIS BY CITY HEALTH OFFICE**

Date: October 16, 2024

Attached is a letter from **Eranie L. Pangilinan RN, MD, MMHoA** re: **Conduct of urinalysis by City Health Office** on **October 24, 2024** at **San Vicente Elementary School** and **October 25, 2024** at **Datu Abdul Elementary School**. Grade 1 learners are recipients of the free urinalysis which will help in the early detection of UTI (Urinary Tract Infection).

Concerned School Heads are advised to assist in the conduct of the activity and extend due courtesy to the City Health staff/personnel.

For your information and compliance.

Schools Division of Panabo City

Dear Ma'am,

Good day and I hope all is well from your end.

Childhood is a most crucial time for good nutrition. Unfortunately, alongside the little ones' need for healthy diet is their fondness for fast-food and junk food. This has since become a big concern for many parents. According to the National Kidney and Transplant Institute (NKTi), kidney-related diseases, specifically the end-stage kidney disease or ESRD, occupy the seventh spot among causes of mortality in the Philippines. Kidneys are a vital part of the body's urinary system as these perform many essential tasks for the body. These two bean-shaped organs found at each side of the spine below the rib cage are responsible for removing toxins and excess water from the blood. One of the common kidney diseases in children nowadays is the Urinary Tract Infection.

Hence, the City Health Office of Panabo would like to seek permission from your good office to conduct urinalysis in School specifically to the Grade 1 students. We will examine urine sample of children from the selected elementary school of this City, the San Vicente Elementary School on October 24, 2024 and Datu Abdul Elementary School on October 25, 2024. With this process, it will help an early detection of urinary tract infection.

Hoping for your positive response on this matter. For further query on this, I can be of reach at my mobile number 09214473877.

Thank you very much and More Power!

Sincerely Yours,

**SITTI HANNAH R. DELOSO, RMT**
