RECORDS SECTION

Dear Ma'am,

Greetings!

As part of our preparation for the upcoming Work Immersion program for Grade 12 students of Don Manuel A. Javellana Memorial National High School, we would like to request your good office to conduct a medical check-up for our students. This initiative is crucial to ensure the health and well-being of our learners, as they will be entering various workplaces and will need to be physically and mentally prepared for the challenges ahead.

In line with this, we respectfully ask the Division Medical Team to visit our school and carry out the necessary medical assessments for the Grade 12 students on **October 16, 2024**. This initiative is a vital step in safeguarding the well-being of our students as they transition into the workplace environment.

Your support in this matter is highly appreciated, as it will greatly contribute to the readiness and safety of our students during their Work Immersion.

We look forward to a positive response and the opportunity to collaborate with you in this endeavor.

Thank you very much for your attention to this request.

Respectfully,

  
**MICHAEL S. RUBINO**  
OIC-Head Teacher I
