Dr. Firman:

Greetings!

The University of Mindanao, the largest higher educational institution in Mindanao, is set to launch another enrollment campaign targeting graduating senior high school students. This campaign aims to provide essential information on the diverse career pathways and opportunities that UM offers, guiding students toward informed decisions about their future.

With the valuable contributions from your division to the recent increase in UM's enrollment across all campuses, we are inspired to continue strengthening our relationship. To support this effort, a team of **UM professors will visit senior high schools in the Panabo City area between January to March 2024**, offering brief **15-20 minute sessions** to orient graduating students about UM's programs and resources.

In this regard, we kindly seek permission to speak to graduating classes in senior high schools within your division and would appreciate an endorsement letter to support this activity. This initiative aims to guide students' career choices while promoting enrollment growth for your division and our institution. If you have any questions, feel free to reach out to our office or email us at uminformationassistant@umindanao.edu.ph.

Anticipating your usual support.

Respectfully yours,

REYNALDO C. CASTRO
Vice President, ERIAQ
