Madame:

Greetings!

In line with our commitment to continually improve the delivery of quality education and promote inclusive learning practices, we are respectfully requesting permission to conduct a benchmarking visit to the ALIVE (Arabic Language and Islamic Values Education) class at Bongbong Elementary School in Pantukan, Davao de Oro, on November 19, 2024. This initiative aims to provide our educators and stakeholders with valuable insights into effective strategies, teaching methods, and management practices that have contributed to the success of Bongbong Elementary School's ALIVE program.

Our objective is to learn from the best practices and approaches utilized by their ALIVE class to enhance our program implementation and foster a stronger, more supportive environment for our learners. The experience and knowledge gained through this visit will be instrumental in refining our strategies to better serve our students, particularly those from diverse cultural and religious backgrounds.

We assure you that our team will adhere to the guidelines and protocols established by your office to ensure a smooth and productive visit.

We look forward to your favorable response and to the opportunity to learn from the esteemed educators at Bongbong Elementary School.

Thank you and More Power!

Very truly yours,
