REGIONAL MEMORANDUM
ESSD-2024-466

**CONDUCT OF NATIONAL PROGRESS MONITORING ACTIVITY OF OPLAN
KALUSUGAN SA DEPED (OKD) FLAGSHIP PROGRAMS**

To: Schools Division Superintendents

1. Attached is the letter from the Office of the Undersecretary for Operations, informing this Office on the conduct of **National Progress Monitoring Activity of School-Based Feeding Program and other OKD Flagship Programs in select Schools Division Offices (SDOs) on November 11-15, 2024.**
2. The monitoring team will visit select SDOs and schools to look into the implementation of OKD programs. Identified schools will be visited to validate observations and to interview **school heads, school focal persons, parents, volunteer groups, beneficiaries, and other stakeholders** regarding its issues and concerns, and randomly collect food commodity for nutritional analysis.
3. The Nutrition and Hygiene team will also conduct an ocular inspection of manufacturing plants of Nutritious Food Products and Pasteurized Milk either by NDA or PCC as well as school nurseries, seed banks, and different garden technologies.
4. Health and Wellness and Medical, Nutrition, Dental, and Nursing Services Team will monitor the implementation of other health programs, specifically the medical and dental services to the learners and personnel, inspect the school clinics, and document the items/supplies received related to the selected established clinics
5. In this regard, **this Office enjoins the SBFP focal persons and identified health personnel from the Regional Office (RO) and SDOs** to join the monitoring team and coordinate the activity so that potential issues will be addressed and corrected measures are taken promptly. The list of personnel who will join the team is in Enclosure 1.
6. This activity will also serve as an avenue for SDOs and schools to showcase their best practices and innovations, which other SDOs will benchmark during monitoring. Sharing of best practices and innovations will facilitate SDOs to collaborate, learn from one another, and develop novel strategies that can be replicated in other settings, ultimately benefiting learners across the region.
7. Enclosure 2 provides details on the SDOs and schools to be monitored with their respective schedules. **Schools Division Superintendents/Assistant Schools Division Superintendents are also requested to be present at the schools to be monitored.** Identified SDOs shall identify the division and school personnel that will be involved in the monitoring activity. SDOs and selected schools are strongly encouraged to extend full support and participate. Their active involvement is crucial

Dear **Director Farnazo**:

This is to inform your good Office that the School Health Division (SHD) under the Bureau of Learner Support Services (BLSS) shall conduct a progress monitoring activity on the *Oplan sa Kalusugan* sa DepEd flagship programs in select SDOs in your region on **November 11-15, 2024**.

The monitoring team shall visit the Regional Office and select SDOs to do the following:

- Interview the key focal persons, review available reports and data, discuss policy and implementation concerns, gather feedback, and provide necessary technical assistance;
- Validate the observations through school visitations (one or two schools only) within the SDO, interview school heads, school focal persons, parents, volunteer groups, beneficiaries, and other stakeholders in select schools to determine their issues and concerns, and collect food commodity to be subjected to nutritional analysis by DOST-FNRI to ensure quality assurance;
- Identify the procurement issues and concerns, best practices, budget utilization, and ensure compliance with nutritional standards;
- Monitor central kitchens and other schools implementing the PanSARAp Project of the Office of the Vice President, School Lunch Project under the Royal Patronage of Her Royal Highness Princess Maha Chakri Sirindhorn;
- Collect Nutritious Food Products (NFPs) through random sampling for submission to DOST-FNRI for nutritional analysis to determine if they are compliant to DepEd's nutritional standards;
- Conduct an ocular inspection of the manufacturing plants of NFPs, Pasteurized Milk of NDA or PCC as well as school nurseries, seed banks, and different garden technologies like hydroponics and urban gardening, evaluating plot quality, crop variety, and labeling practices by Nutrition and Hygiene Team; and
- Monitor the implementation of other health programs, specifically the medical and dental services to the learners and personnel, inspect the interior and physical facilities within the clinic, and document the items/supplies received related to the selected CES established clinics by Health and Wellness and Medical, Nutrition, Dental, and Nursing Services Teams.
