Madam:

*Mabuhay ug Madayaw!*

As we navigate through the academic year, it is essential to reflect on our school's mission and vision and consider how we can further enhance the academic journey of our students. Despite facing various challenges, the vision and mission of JMCFI remain at the heart of our operations, guiding us in our commitment to provide exceptional support tailored to each student's unique strengths, challenges, and aspirations.

In this spirit, we would like to seek your permission to allow Jose Maria College Foundation, Inc. representatives to visit Junior High Schools and Senior High Schools in the city. This visit will provide an opportunity for students and faculty to learn more about the various programs and initiatives we have implemented to extend academic support.

JMCFI is eager to establish a meaningful presence within our schools and foster positive relationships moving forward. We assure you that we will collaborate closely with your administration to ensure that our participation in school events is respectful, non-disruptive, and fully compliant with all regulations. We believe that active engagement with school activities presents a valuable opportunity for both JMCFI and the schools.

We are here, ready to share what we can offer to support students' academic success. Together, we can ensure that quality education shapes our students' minds and prepares them for the challenges that lie ahead.

Thank you for considering this request. We look forward to hearing from you soon.

Respectfully yours,
