Madam;

Greetings of peace!

The Panabo City Senior High School is known for pursuing excellence in education. Apart from this, one of the best practices for the past three years is the implementation of Work Immersion in partnership with the different stakeholders which marked a significant difference in the lives of the students and the whole community.

As stipulated in DepEd Order No. 30, series 2017 entitled Guidelines in Work Immersion stated that one of the goals of the K to 12 Basic Education Program is to develop in learners the competencies, work ethic, and values relevant to pursuing further education and joining the world of work.

In order to carry on with this program, we would like to request for **medical check-up** to our work immersion students on January 9-10, 2025.

We are hoping for your positive response. Thank you and God bless.

Respectfully yours,

LIEZEL M. SOLICAR
Work Immersion Coordinator
