Ma'am:

Warm greetings!

We respectfully seek your kind approval to allow the DepEd Division Doctor to conduct a medical check-up for our 158 work immersion students on January 27, 2025, at our school premises, San Vicente National High School, San Vicente, Panabo City.

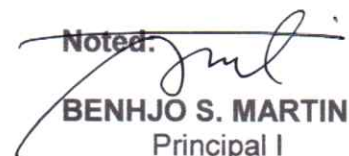

This initiative is a crucial requirement for the students' off-campus work immersion, ensuring their physical fitness and readiness to participate in various industry-based activities. The medical check-up aligns with DepEd's commitment to safeguarding the welfare and health of students while they engage in external learning environments.

We humbly request your favorable consideration of this matter, as the success of this health screening will significantly contribute to the smooth implementation of our work immersion program.

Thank you very much for your support and guidance in this endeavor. We remain committed to upholding the DepEd mission of providing quality education and fostering the holistic development of our learners.

Yours sincerely,

LOVELYN T. SACURIN
Work Immersion Coordinator
