Dear Ms. Firman,

Warm greetings from MOL Magsaysay Maritime Academy!

At MMMA, we have launched a unique leadership development program that helps our cadets succeed in academics, leadership, character formation, physical fitness, and life skills. The main engine of this program is leadership coaching with accountability. In the process, the students learn to set SMART goals, follow through on their action plan, improve their time management, and learn effective study skills, among others. After four years of implementation in MMMA, the results are encouraging. We believe our leadership development program is effective and we would like to share it with different schools so that students can benefit from it. The booklet *"Building Leaders the MMMA Way"* gives an overview of our leadership paradigm.

To learn more about our leadership program, we wish to invite High School Principals and your Youth Formation Division head and assistant to a ***"Leadership Breather"*** on **January 30, 2025, 9:00 am to 12:00 pm** at **Hotel San Marco - Davao City**. We would also like to hear from other school heads and learn from their experience. In the words of an African proverb: "If you want to go fast, go alone; if you want to go far, go together." We want to go far. We believe so do you.

This activity will be compliments of MMMA. Lunch and a tour of our facilities will be included. We request your endorsement of inviting school principals to attend this exciting activity.

May we look forward to hearing from you soon.

Very truly yours,

Dr. Michael C. Morales  
President
