Department of Education, Region XI

**SUBJECT: Endorsement of the UP Mindanao EconoMania 2025**

Dear Director Farnazo:

Greetings!

We are the **Society of the Agribusiness Economists (SoABE)**, an academic organization based at the **University of the Philippines Mindanao** that aims to promote camaraderie, unity, and personal and collective development among its members and within the community through proper governance and activities that will promote inclusive growth.

As part of our activities this year, **SoABE plans to host the EconoMania 2025**. This event aims to bring together high school students across the Davao Region to further explore the rigor of economic theories and their application to the agriculture sector in the Philippines. EconoMania 2025 will involve quiz bee, debate, and column writing. The event aims to test the target participants about their knowledge of economics and the Philippine economy. In addition, the event aims to introduce senior high school students to the BS Agribusiness Economics program of UP Mindanao, what they can expect from it, and its prospective career path.

EconoMania 2025 will take place at **UP Mindanao on March 19, 2025, from 8:00 AM to 5:00 PM**. In this regard, we are humbly asking for support from your good office by endorsing EconoMania 2025 to the secondary schools (junior and senior high schools) within Davao Region. Annexed to this document is the EconoMania 2025 Primer where participants can further read in detail the mechanics of the events.

Should you have any concerns about the event, please contact **Mr. Joseph Bengil** through email at [jmbengil@uvm.edu.ph](mailto:jmbengil@uvm.edu.ph) or by phone at (0976) 308 4951.

Thank you for your time and consideration.

The Society of the Agribusiness Economists (SoABE) is an academic organization of the University of the Philippines Mindanao. It is a society of agribusiness students, faculty, and practitioners who are interested in the study of agribusiness. It is a members' organization within the community of the university.

On October 10, 2023, SOABE plans to host the EconoMUN 2025. The event will bring together students from various universities in the region to further their understanding of the global economy and its impact on the world. The EconoMUN 2025 will feature a variety of speakers, including economists, political scientists, and business leaders, who will share their insights on the latest trends and challenges in the field. The event will also include a panel discussion on the future of the global economy, a networking session, and a competition in which students will present their research projects. The EconoMUN 2025 is a great opportunity for students to learn from experts and engage in meaningful discussions on the most pressing issues of our time.

# about SoA

The Society of Agribusiness Economics (SoABE) is a duly recognized academic organization at the University of the Philippines Mindanao.

Founded in 2006, SoABE caters to the Bachelor of Science in Agribusiness Economics (BS ABE) in UP Mindanao, aiming to:

organize and consolidate the BS ABE students of UP Mindanao and through it, establish a stronger link between the BS ABE students and the other members of the School of Management, the University, and the community;

foster comradeship among its members;

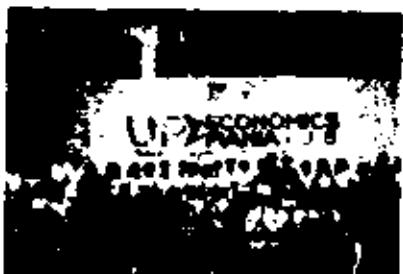

develop the well-being and facilitate the holistic development of its members;

help and serve its members and the community through initiating support and encouraging measures for the inclusive development of our community;

aid in promoting social awareness of pressing issues in our society; and

invite networking and alliances with other individuals, groups, and organizations inside and outside the university sharing our common interests.

# SOA activities

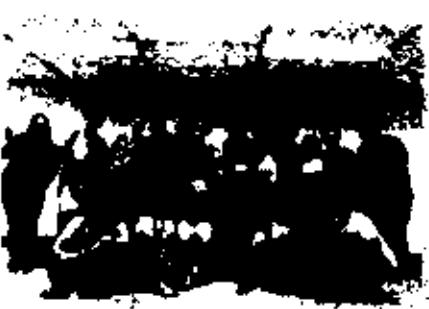

A quiz bee competition on economic theories and their real-world applications for high school students in Davao City to promote the BS ABE program.

An event featuring various talks on relevant and thought-provoking socio-economic issues in the Philippines.

A trivia game testing participants' knowledge on diverse subjects in a fun and interactive format.

A debate series where students from different universities in Davao City discuss and analyze current economic issues and policies.

## EDUCATIONAL TOURS

Organized visits to institutions or companies designed to provide practical insights and real-world experiences related to Agribusiness.

# ECONOMANIA

ECONOMANIA 2025 aims to bring together students across the Davao Region to explore the rigor of economic theories and their application to the Philippines.

The event challenges students' knowledge of economics, understanding of economic policies,

through three competitions: , , and .

Specifically, it seeks to:

provide a platform for students to showcase their knowledge and skills in economics.

deepen their understanding of fundamental economic principles and their real-world applications.

enhance their ability to articulate economic concepts, argue persuasively in debates, and express their analyses effectively through writing.

highlight the crucial role of economics in addressing the country's challenges and shaping sustainable policies for economic growth.

emphasize Mindanao's role as the country's food basket by encouraging discussions on how the region can navigate globalization and international competitiveness while ensuring agricultural sustainability.
