DIVISION MEMORANDUM

CID - 2025 - **0169**

To : Assistant Schools Division Superintendent
Chief, Curriculum Implementation Division (CID)
Chief, Schools Governance and Operations Division (SGOD)
Public Schools District Supervisors
Public Elementary and Secondary School Heads
All Concerned

Subject : **SPECIAL SCIENCE AND COMPUTER EDUCATIONAL DEVELOPMENT PROGRAM**

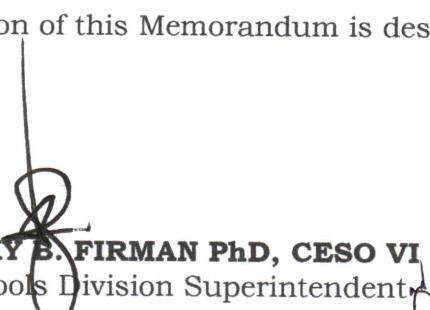

Date : March 12, 2025

Attached is the letter of invitation from Ms. Evelyn Z. Masong, the Regional Manager of ZAMOREVE Educational Merchandise relative to their invitation for public schools to participate in their Special Science and Computer Educational Development Program.

This Office informs that participation in the above mentioned activity is **voluntary** and that **no government funds will be involved**. Further, the No-Disruption-of-Classes Policy stipulated in DepEd Order No. 9, s. 2005 entitled "Instituting Measures to Increase Time-on-Task and Ensuring Compliance Therewith" and the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities shall be strictly observed.

All other details of the program are in the enclosure.

Immediate dissemination of this Memorandum is desired.

Dear Madam:

In the desire to help students, particularly those who manifest special interest in the field of Science and Technology, the **ZAMOREVE Educational Merchandise**, has embarked on a kind of Development Project designed to provide broadened perspective among the students as well as their parents and teachers regarding Science and Technology. The program called the **ZAMOREVE Educational Merchandise project**, aims to link the home and the school together to enable them to appropriately respond to the special needs of parents and understanding the learning process of their children.

To promote and develop Science Consciousness in the youth, the **ZAMOREVE Educational Merchandise** offers to help them secure science and technology reference materials and computer computer training study. This will enhance in each student the basic know how in Science and the basics of computer literacy relevant to globalization. While the program aims to help every student gain proficiency in their academic pursuits, it may also reduce the financial burdens of parents who have to cope up with high cost of education, particularly on price of books and tuition fees.

Under this scheme science quizzes shall be administered to all primary and secondary students in both private and public schools within the division. Those students who will hurdle the test will be given special privilege to avail of some academic books as well as computer reference materials. Here, the participation of the parents are only miscellaneous expenses in transporting these materials from the place of origin to the resident of the recipient.

Likewise the students will be given the **FREE HANDS-ON ADVANCE COMPUTER STUDY** in prestigious computer school near your locality.

The program is very essential but voluntary and is not compulsory on the part of the parents concerned.

Along with the foregoing premise, the permission of your office to give the aforementioned quiz to your students is respectfully requested.

The universal fact stands that the more we learn the greater is our chance for success.

Please allow us to thank you in anticipation to your favorable consideration hereon.

Very truly yours,

EVELYN N. MASON
Regional Manager
