SCHOOL HEAD/TEACHER INFORMED CONSENT FORM

Date: _____

Dear School Head/Teacher,

Warm greetings!

The Department of Education XI, through the Policy Planning and Research Division is conducting a study titled Investigating Effectiveness, Challenges and Best Practices of Alternative Delivery Mode (ADM) in Davao Region Before, During and After Covid-19: A Mixed Method, pursuant to the Memorandum PPRD-2024-130 dated November 6, 2024.

This study aims to investigate the effectiveness, challenges, and best practices of Alternative Delivery Mode (ADM) in the Davao Region before, during, and after the COVID-19 pandemic. Specifically, it seeks to:

1. characterize the status of public-school dropouts by examining socio-demographic factors, including school profiles, the characteristics of ADM learners served, and the characteristics of teachers serving ADM learners.
2. determine the academic performance of students under various ADM approaches and explore the relationship between academic performance and ADM-related as well as socio-demographic factors.
3. Examine the challenges and opportunities associated with different ADM approaches
4. Identify best practices in implementing these approaches within the Davao Region

The data-gathering shall be carried out through a 30 to 45-minute individual interview or a focus group discussion (FGD) with the study participants via Microsoft Teams. This individual interview or focus group discussion shall be facilitated by the researchers.

Your participation in this research undertaking is voluntary. If you do not wish to participate or answer some of the questions that will be asked, you may do so without any consequences. However, we encourage you to join in the said activity and consider this as an opportunity to express your thoughts, experiences, and challenges encountered relative to the implementation of the ADM before, during and after COVID-19. Any personal information that will be collected in this study will be kept confidential. Additionally, any information about you shall be coded instead of your name and only the researchers shall have access to it. At the end of this study, the findings shall be shared but nothing shall be attributed to you.

Your participation in this study is important to further help the curriculum planners and policymakers identify relevant policy initiatives and interventions to appropriately address the unforeseen crossroads as you juggle to deliver the Department's mandate.
