Elementary and Secondary School Heads

Subject : **INVITATION TO THE WANDERING MINDS SCIENCE MOBILE EXHIBIT**

Date : July 8, 2025

Attached is the Regional Memorandum No. CLMD-2025-317 relative to the invitation to conduct the Wandering Minds Science Mobile Exhibit.

This Office informs that participation in the abovementioned exhibit shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order No. 012, s. 2025, titled Multi-year Implementing Guidelines on the School Calendar and Activities and of DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017. Further, this is also subject to the no-collection policy stated in Section 3 of RA No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law), issued in DO 19, s. 2008, and reiterated in DepEd Memorandum No. 041, s. 2024.

Attached is the detailed description of the proposed activities.

Immediate dissemination of this Memorandum is desired.

Date: 16 MAY 2025 *cf: no*

Dear Director Farnazo:

The Wandering Minds Science Mobile Exhibit is a traveling educational program we have proudly conducted since 2019. For over five years, we have brought science to life for thousands of students through modern, interactive, and immersive exhibits that make learning exciting and meaningful. Each year, we update and expand our offerings to stay aligned with current scientific and technological advancements. With the issuance of an advisory from your office, we believe we can reach more schools across the region even more effectively.

We aim to continue inspiring and engaging students nationwide through our interactive learning experiences, designed to complement the K-12 curriculum and instill a deep appreciation for science and technology. Our updated program includes:

- Wandering Minds Space Dome Mobile Planetarium Experience
- The Ultimate 3D Science Experience
- Jurassic On Wheels and the World of AI (updated with new AI simulations and exhibits)
- Aquadome: An Immersive Journey into Aquatic Life and Environmental Stewardship – launching by Q4 of 2025

All programs are aligned with the provisions of DepEd Order No. 9, s. 2005 and will be conducted on school campuses, with the assistance of our trained lecturers and facilitators. We assure the Department and participating schools that all financial contributions remain voluntary; our team ensures no pressure will be placed on students or schools to contribute and we are committed to making our exhibits inclusive and accessible to all students regardless of financial means.

## SY 2025-2026 EXHIBITS

### THE ULTIMATE 3D SCIENCE EXPERIENCE

**The Ultimate 3D Science Experience** is an innovative and comprehensive program that provides an immersive and engaging learning opportunity for students of all ages. With a Chroma Key Workshop, over 20 science manipulative exhibits, a 3D movie experience, a telescope lecture, and object viewing, students can explore the worlds of special effects, physics, biology, chemistry, astronomy, and more. Through hands-on experimentation and exploration, students can develop their critical thinking, problem-solving, and creativity skills.

Philippines' Largest Mobile Van De Graaff

3D Movie in Digital Surround Sound using 3D eyeglasses

Over 20+ Science manipulative exhibits

Telescope lecture and object viewing

### SPACE DOME MOBILE PLANETARIUM EXPERIENCE

**Space Dome Mobile Planetarium Experience** offers a unique opportunity to explore the wonders of the universe within the comfort of your own school. Our portable planetarium is equipped with a state-of-the-art projector and audio system that enable an immersive and realistic portrayal of the night sky, complete with stars, planets, and other celestial objects. As an added attraction, students will also be introduced to the fascinating world of artificial intelligence. Our team of educators will guide participants in virtual space missions, planetarium shows, and Q&A sessions.

### NEW: JURASSIC ON WHEELS AND WORLD OF AI

**Jurassic On Wheels and World of AI: A New Educational Experience.** Our immersive experiences promise to captivate learners of all ages. Witness historical inventions and their societal impacts unfold before your eyes. Explore the cutting-edge realm of artificial intelligence in "World of AI," discovering its fascinating history, effects, and limitless potential. Experience the thrill of Dino 3D Encounter where life-sized dinosaurs come to life. Uncover the mysteries of dinosaur evolution and extinction in "Jurassic Explorations," exploring into the latest discoveries and research in paleontology. Our "You Are What You Eat" attraction examines nutrition and health, educating students about the impact of dietary choices on their overall well-being.

Timeless Treasures and Inventions

Dino 3D Encounter

Jurassic Explorations

You are what you EAT

World of AI Artificial Intelligence

**DURATION:** The program runs for approximately 2 hours per batch.

**VENUE NEEDED:** Space Dome Mobile Planetarium Experience, The Ultimate 3D Science Experience, and our new offering, Jurassic On Wheels and the World of AI

- One (1) well-ventilated classroom good for 50-80 students.
- One (1) well-ventilated classroom or Audio-Visual Room good for 50-80 students, we will provide the silver screen, 3d projectors, and sanitized 3d glasses.
- Electrical outlets with ample power supply
- Covered court for the Space Dome/Jurassic On Wheels and World of AI

**TARGET PARTICIPANTS:** We provide a program suitable for all levels: Preschool to Senior High School. We also cater to college students.

Our team of experienced lecturers and staff is dedicated to delivering exceptional content that aligns with your school's educational goals and values. We will provide comprehensive support throughout the planning and execution of the exhibit to ensure a seamless and successful event.

Investing in scientific education is essential for preparing students for a future where critical thinking and problem-solving skills are paramount. Through our Science Mobile Exhibit, we aim to contribute to your school's mission of nurturing well-rounded, curious, and informed individuals.

Should you have any questions or require additional information, please feel free to contact us at the mobile number below.

Respectfully yours,

Kristel Dianne Tabangay-Barnhill and April Anne Lerit

### WANDERING MINDS CO-CURRICULAR ACTIVITIES FOR THE SCHOOL YEAR 2025–2026

Wandering Minds Inc. announces the conduct of a science mobile exhibit titled Wandering Minds Co-Curricular Activities for the School Year 2025–2026, suitable for preschool to senior high school learners. The activity aims to ignite curiosity and inspire young minds through interactive activities that make learning Science a thrilling adventure. It also provides learners with hands-on experiences to enhance their understanding and appreciation of important scientific concepts.

The activity includes:

Category	Activity	Description
The Ultimate 3D Science Experience	a. Philippines' Largest Mobile Van De Graaff b. 3D Movie in Digital Surround Sound using 3D Eyeglasses c. Chroma Key Workshop/Green Screen d. Over 20+ Science Manipulative Exhibits e. Telescope Lecture and Object Viewing	Provides an immersive and engaging learning opportunity for learners of all ages. They can develop their critical thinking, problem-solving, and creativity skills through hands-on experimentation and exploration.
Space Dome Mobile Planetarium Experience	a. Planetarium and Astronomy Experience b. Climate Change Education c. Why Mars and Astronaut Life d. Telescope Lecture and Object Viewing e. World of Artificial Intelligence (AI)	Offers a unique opportunity to explore the wonders of the universe within the comfort of the school. The portable planetarium has a state-of-the-art projector and audio system that enable an immersive and realistic portrayal of the night sky, complete with stars, planets, and other celestial objects.
New: Jurassic on the Wheels and World of AI	a. Timeless Treasures and Inventions b. Dino 3D Encounter c. Jurassic Explorations d. You Are What You Eat e. World of AI	Provides an opportunity to witness historical inventions and their societal impact, explore the cutting-edge realm of AI, explore the latest discoveries and research in paleontology, and examine nutrition and health, educating learners about the impact of dietary choices on their overall well-being.
Aquadome	(Activities are to be launched in Quarter 4 of Fiscal Year 2025)	Offers an immersive journey into aquatic life and environmental stewardship.

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 012, s. 2025, titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities

**DR. JINKY B. FIRMAN CESO VI**  
**Schools Division Superintendent Schools**  
**Division of Panabo City**

Dear SDS Firman:

The Wandering Minds Science Mobile Exhibit is a traveling educational program we have proudly conducted since 2019. For over five years, we have brought science to life for thousands of students through modern, interactive, and immersive exhibits that make learning exciting and meaningful. Each year, we update and expand our offerings to stay aligned with current scientific and technological advancements. May we humbly request *your advisory for our co-curricular activities*, in accordance with the policies and guidelines stipulated in DepEd Order No. 9, s. 2005, entitled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."

We aim to continue inspiring and engaging students nationwide through our interactive learning experiences, designed to complement the K-12 curriculum and instill a deep appreciation for science and technology. Our updated program includes:

- Wandering Minds Space Dome Mobile Planetarium Experience
- The Ultimate 3D Science Experience
- Jurassic On Wheels and the World of AI (updated with new AI simulations and exhibits)
- Aquadome: An Immersive Journey into Aquatic Life and Environmental Stewardship – launching by Q4 of 2025

All programs are aligned with the provisions of DepEd Order No. 9, s. 2005 and will be conducted on school campuses, with the assistance of our trained lecturers and facilitators. We assure the Department and participating schools that all financial contributions remain voluntary; our team ensures no pressure will be placed on students or schools to contribute and we are committed to making our exhibits inclusive and accessible to all students regardless of financial means.
