**Subject:** Request to be Resource Speakers for Nutrition Month 2025

Dear Ma'am;

Warm greetings of peace and good health!

As part of our school's month-long celebration of **Nutrition Month 2025**, we are organizing a series of activities that aim to promote health and wellness among our learners, focusing on this year's national theme: "**Food at Nutrition Security maging Priority! Sapat na pagkain Karapatan natin!**".

One of the highlights of our celebration is an **educational session** for learners and parents as well that will focus on proper nutrition, healthy lifestyle, and oral hygiene. In line with this, we are respectfully inviting you to be our **guest resource speakers** on **July 30, 2025, Wednesday 8:30am**, to be held at the **school grounds** of this institution. We believe that your **professional expertise** as a **dentist** and as a **nurse** would greatly benefit our learners by educating them on the importance of:

- Making healthy food choices to ensure proper growth and development
- Preventing common illnesses related to poor nutrition and hygiene
- Maintaining good oral health as part of their overall wellness
- Building healthy daily habits even at a young age

Your talks will not only inform but also inspire our students to make better health decisions, aligning with our school's commitment to holistic education.

We hope for your favorable response and look forward to the opportunity to collaborate with you. Please feel free to contact us at **0975-0519-573** or [mcapanabo2018@gmail.com](mailto:mcapanabo2018@gmail.com) for any further details or clarification.

Thank you very much and may you continue to be a blessing to the school community.

Sincerely,

Rose A. Obligar  
School Administrator
