Dear Dr. Firman,

Greetings of prosperity and solidarity!

We are pleased to inform your good office that as part of our continued commitment to promoting academic excellence and leadership among the youth of Panabo City, the Office of the City Vice Mayor will be awarding medals to deserving students from various schools in recognition of their sincere effort and outstanding achievements in the following categories:

- Award of Academic Excellence** – to students who have demonstrated exceptional performance in their academic pursuits.
- Leadership Award** – to students who have shown exemplary leadership skills and made meaningful contributions to their school or community.

To facilitate the awarding process, a letter request from any academic institution is all that is needed. Once received, our office will coordinate with the requesting school for the preparation and release of the medals.

We hope for your kind support in disseminating this information to the respective schools under your supervision.

Thank you, and we remain committed to working hand-in-hand in advancing the development of our learners in Panabo City.

Yours in public service,

**ENGR. FRANKLIN D. GENTILES**  
City Vice Mayor
