Dear Dr. Firman,

This special learning event will be held on August 29, 2025, at the Herminigildo C. Baloyo, MD Hall, City of Tagum Cultural Center, with an Open House starting at 8:30 AM. The workshop is free of charge and is designed to serve as an avenue for students to experience and appreciate the richness of Philippine traditional music while understanding its potential in contemporary expressions.

By engaging in this workshop, students will not only deepen their awareness of our cultural heritage but also gain practical exposure to how traditional music, such as the *kulintang*, can be innovatively integrated into today's popular music. This aligns with our shared goal of nurturing well-rounded learners who are rooted in their cultural identity, while also encouraging creativity, innovation, and appreciation for the arts.

In this regard, we invite your good office to send a maximum of **ten (10) students** from either the **Special Program for the Arts (SPA)** or the **MAPEH** class who have shown genuine interest in music and cultural activities to attend this meaningful learning experience.

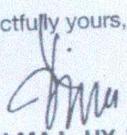

To confirm participation, kindly have the students register through this link:
