Dear Ma'am Bambi,

We cordially invite you to join us on the 20th of August, as we dedicate the Rivera Medical Center Catheterization Laboratory.

At RMCi, we are committed to serve our community even better. With the addition of this state-of-the-art facility, we are responding to the urgent need for advanced cardiovascular care right here in Davao del Norte and our neighboring provinces.

This facility is a testament to our dedication to reduce or eliminate the need for patient transfers to distant institutions, thereby lowering costs and making life-saving treatments more accessible and affordable.

Your presence will serve as an inspiration to our doctors and staff who work hard to save lives through innovative and compassionate healthcare.

Respectfully yours,

Snooky S. Navares, RN  
Operations Division Officer
