Dear Ma'am,

Good day!

The Health Emergency and Disaster Management Unit (HEDMU) of Davao Regional Medical Center (DRMC) will be conducting a Basic Life Support for Lay Rescuers (BLS-LR) for Senior High School students and newly hired teachers of Tagum City National Comprehensive High School (TCNCHS). This training aims to strengthen and enact Republic Act 10871, also known as the Basic Life Support Training in Schools Act, which mandates that public and private basic education schools in the Philippines provide age-appropriate basic life support training to their students.

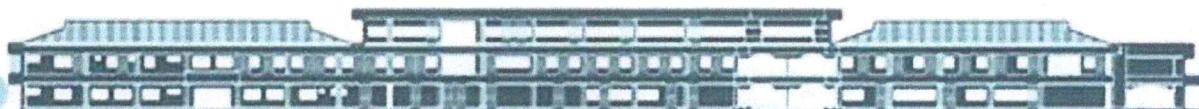

The training will accommodate 200 participants and will be conducted in six batches, beginning with Batch 1 on August 26, 2025, and Batch 2 on September 17, 2025, at Handurawan Hall TCNCHS, Tagum City. Transportation, per diem, and other incidental expenses will be covered by the sending agency, while lunch and snacks will be generously provided by the TCNCHS Administrator.

In line with this, we would like to invite **Mr. Hernani A. Resueño, RN, EMT** as a Co-Facilitator for the training of the second batch on **September 17, 2025**.

With his DOH certification and experience, he can bring not only valuable skills but also practical strategies and standard practices that will make the training more meaningful and impactful for participants.

Should our request merit your approval, we will greatly appreciate if we could confirm your commitment on or before August 20, 2025 through this cellphone number 0916 627 8652, Mr. Benedict Concha (Administrative Staff) or you may email us at hemu@drmc@doh.gov.ph. Furthermore, we will conduct levelling amongst facilitators on August 21, 2025, 1:00 - 5:00 PM at the Health Emergency and Disaster Management Unit (HEDMU) Office, 2nd floor Pathology Building, DRMC

Thank you very much, and we eagerly look forward to your favorable response.
