DR. JINKY B. FIRMAN, Ph.D, CESO VI  
School Division Superintendent  
DepEd Panabo Division

Dear Dr. Firman,

*Greetings of Healing and Hope!*

We are reaching out to invite you to take part in the **Provincial Youth Suicide Death Review Pilot Orientation and Workshop** happening on **September 9-10, 2025**, at **Tagum City** (final venue will be announced soon). This gathering is being organized by the Provincial Health Office of Davao del Norte with the partnership of Department of Education XI, to bring people together in the shared goal of preventing youth suicide in our communities.

To address the increasing suicide cases in our province which mostly involves young people, we would be able to come up with a provincial youth suicide prevention, intervention and postvention plan that is organized, structured and functional. This multi-sectoral process will focus at developing preventive interventions in schools and communities, examining cases of suicide within the province to better understand their underlying causes, risk factors, and contributing circumstances, and also to provide postvention strategies, after care and supportive activities for the bereaved or affected.

This initiative serves as a platform for health professionals, educators, law enforcement, local government units, and community stakeholders to discuss preventive measures, intervention strategies, and post-intervention support.

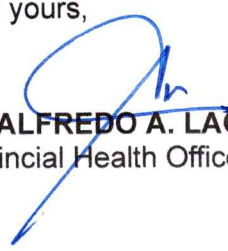

More than gathering reports and data, it's about hearing real stories from the grassroots that lead to a loss of young lives, the current strategies that we are doing to prevent suicide in our community and how we, as a team, can help improve our system and services for the next generation.

Your expertise and active participation are vital to ensuring a comprehensive, evidence-based, and compassionate approach to this issue. We hope you can join us in this important discussion to help save lives and foster a holistically healthy province. In line with this, may we invite **four (4) Registered Guidance Counselors, (1) Adolescent Reproductive Health Program Coordinator, (1) Mental Health Program Coordinator, and one (1) Parent and Teacher Association Representative (PTA)** to attend this meaningful event.

**Meals, snacks and LIVE-IN accommodation shall be provided on September 9, 2025, and check out will be on September 10, 2025** (details will be announced soon.) **Registration is free and transportation shall be shouldered by sending agency.** Please be on time and please bring at least one laptop from your agency / team for the writeshop activity.

For confirmation of attendance or any other concern, kindly text or call our Adolescent Health and Youth Development Program Coordinator, **Ms. Christy Carole Bonje Sanico** at mobile number: **0948-828-8769** or via messenger account using the same name as indicated.

Truly yours,

  
**DR. ALFREDO A. LACERONA**  
Provincial Health Officer II
