Subject : **ACCOMPLISHMENT AND SUBMISSION SCHOOL LEARNING DELIVERY REPORT FOR EDUCATION IN EMERGENCIES**

Date : October 13, 2025

---

To ensure learning continuity during class suspensions or disruptions caused by emergencies, all schools are directed to accomplish the **Education in Emergencies: School Learning Delivery Report** each time the Alternative Delivery Mode (ADM) is implemented. The report serves as a documentation tool for schools to record how learning delivery continues in times of crisis, including online, modular, and blended modalities, under the framework of Education in Emergencies (EiE).

Schools shall download the template through the following link: <https://tinyurl.com/EiEmergencies>. The accomplished form, with all required links to Means of Verification (MOVs), shall be uploaded to the Division ADM Dashboard at: <https://tinyurl.com/ADM4panabo>

The School Head or designated focal person shall upload the report within one (1) working day after the shift to ADM implementation. This report will be required every time education in emergencies occurs, serving as the school's official record of actions taken to sustain learning delivery during crises.
