**Subject:** **CONDUCT OF RESEARCH STUDY ENTITLED, “EVALUATING THE IMPACT OF THE SCHOOL-BASED FEEDING PROGRAM ON STUDENTS’ HEALTH AND ACADEMIC PERFORMANCE IN SDO PANABO CITY**

**Date:** October 23, 2025

The School-Based Feeding Program (SBFP) is a key initiative of the Department of Education (DepEd) in the Philippines, designed to address malnutrition among schoolchildren and enhance their academic performance. The Program provides nutritious food products to undernourished learners, aiming to improve their physical health, cognitive development, and readiness to learn.

Anent this, the Schools Division Office (SDO) of Panabo City is conducting a study entitled, “Evaluating the Impact of the School-Based Feeding Program on Students’ Health and Academic Performance in SDO Panabo City.” This survey aims to gather insights from learners, parents, teachers, and school heads to identify challenges and areas for improvement in the School Based Feeding Program (SBFP) implementation.

The participants of the study include Schools with Grades 4 and 5 learners who are repeaters in the program, along with their parents, teachers, and school heads. Participation in this survey is voluntary which can be access the survey tool via <https://bit.ly/SBFPResearch2025>. However, participants may choose not to answer any questions or withdraw at any time. All responses will be kept confidential and used solely for research purposes to enhance educational strategies. Attached is the list of schools eligible to participate in the said study.
