The Department of Migrant Workers RO XI – Regional Migration Network serve as the primary convergence platform for duty bearers and stakeholders working to address the diverse and complex needs of OFWs and their families.

Although the DMW XI with RMN Duty bearers & stakeholders has previously undertaken significant collaborative initiatives, there is a growing need for a long-term, structured, and unified roadmap to better align regional efforts.

As part of this continued commitment, we are pleased to invite you or your designated focal person to the DMW RO XI Strategic Planning Workshop with RMN duty-bearers and stakeholders, scheduled on November 20 – 21, 2025. The details on the venue will be announced prior to the meeting.

This two-day workshop is designed to strengthen agency coordination among member agencies by establishing a shared and well define vision and mission for migration governance. It will also support the formulation of inter-agency strategies and programs, including policy development and migrant protection mechanism, and the creation of monitoring and evaluation framework. Furthermore, the workshop will facilitate the development of a comprehensive three-year Strategic Plan (2026-2028) that will serve as the roadmap for coordinated action.
