Dear Ma'am,

Another batch of students is about to graduate this school- year 2025-2026. Most will enter college and eager to begin a new chapter in their academic lives.

We acknowledge the great role you play in guiding your students to face these new challenges. The decision of your students in the pursuit of their professional career begins at their choice of program and choice of school.

We would be glad to help them narrowing their options to more productive courses that suit their interests, skills and particularly the capabilities that industry demands these days. With your permission, STI College Tagum will be happy to conduct a **Career Orientation Seminar** at all schools under you respective Division at a time most convenient to you and for your students. In line with this also we would like to request a copy of **total population per school both PRIVATE and PUBLIC** in Grade 10 Junior High School and Grade 12 Senior High School.

For confirmation just call or text **09610057343** or **(084)227-0459** and look for **Arnie L. Lubiano**.

Thank you for your time in accommodating this offer.

Best regards,
