Dear Ma'am Firman:

Makabatang Araw! Warm greetings from the National YKP Network (NYN) Philippines!

The NYN Philippines is a youth-led, non-stock, non-profit national coalition dedicated to empowering and upholding the rights, health, and overall well-being of young key populations (YKPs) in the country—particularly children, adolescents, and other marginalized youth. With a grassroots-to-national reach, NYN serves as a unified voice for Filipino YKPs, fostering leadership, safeguarding rights, and advocating for inclusive, youth-centered policies and programs.

We are pleased to inform you that the National YKP Network Philippines in partnership with the World Health Organization (WHO) will be conducting its **Training of Trainers for the Youth Health Learning Package (YHLP)**. This training will be held on **December 1-4, 2025**, at the **Seda Abreeza Davao, J. P Laurel Ave., Bajada, Davao City**.

In this regard, we are pleased to invite **one (1) representative from the adolescent health program** to participate in this training. The involvement and commitment of DepEd to youth development make your office an ideal fit for this program, and we trust that your participation will strengthen our shared efforts in promoting the well-being of young people.

Please note that **December 1 will serve as Day 0** for arrivals and registration and dinner will be served. Kindly **confirm the attendance of your representative on or before November 28, 2025**, to finalize arrangements. Meals, accommodation, and training materials will be provided, while transportation costs will be shouldered by the sending agency or the participant.

Should you have any questions, please feel free to reach out to us.
