Dear Ma'am,

Greeting of Peace and Good Health!

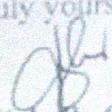

The City Health Office of Panabo thru the Reproductive Health and Wellness Unit – STI/HIV & AIDS Program will be conducting an activity in commemoration of World AIDS Day, which is observed annually. This year's theme, *"Overcoming disruption, transforming the AIDS response"*, focuses on renewed commitment to ending AIDS by addressing ongoing disruptions, social inequalities, and stigma through solidarity, innovation, human rights, and community-led action.

As part of our efforts to raise awareness and promote solidarity in the fight against HIV/AIDS, we will be having an activity to bring together community members and healthcare providers on **December 18, 2025, 8:00 A.M. – 12:00 P.M.** at **ARF Gym, Brgy. New Pandan, Panabo City**. The activity will start with a motorcade and will be followed by a program that will feature inspiring speeches, public awareness, awarding of recognition to service providers, and conduct of free HIV Testing (Community-Based HIV Screening).

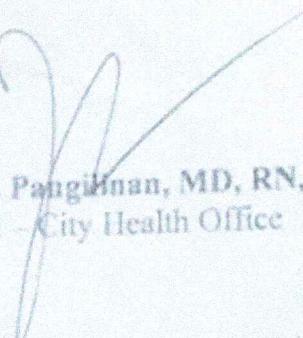

In this regard, we would like to invite *you* and *Ms. Maria Ezcelmay Cabaylo, RN* and *Ms. Desiree Loren Barabat, RN, MAN* to attend and provide a message of support on the abovementioned activity. We believe that your participation in this event will help us inspire action, raise awareness, and advocate for the rights and dignity of those affected by HIV/AIDS. Moreover, your presence would also be a powerful addition to our cause.

Looking forward your presence and support as we come together on this important day of remembrance and action. Thank you very much.

Very truly yours,

Jane Michelle G. Lumba, RN
