November 13, 2025

**JINKY B. FIRMAN**

*Superintendent*

Office of the Regional Director  
Department of Education - Region XI  
Panabo City

**Dear Ma'am Firman,**

The Philippine Association of Food Technologists, Inc. – Lambda Chapter (PAFT-λ), is the duly recognized organization of BS Food Technology students at the University of the Philippines Mindanao. For over two decades, the organization has remained steadfast in its commitment to advancing public awareness and understanding of Food Science and Technology, emphasizing its foundation as a science-based discipline with significant relevance to community development.

As part of its annual initiatives, PAFT-λ will be conducting **Panagtigiay 2026** with the theme **“Nurturing Young Curiosity, Formulating the Future of Food Science and Technology.”** This event endeavours to ignite scientific curiosity and foster analytical thinking among the youth by providing meaningful opportunities to engage with the dynamic and impactful field of Food Science and Technology. This year's program highlights the importance of cultivating inquisitive minds capable of contributing to innovations in food safety, nutrition, and sustainability.

In pursuit of this objective, Panagtigiay 2026 will feature a series of activities designed to stimulate learning and creativity. These include competitions such as *poster-making*, *extemporaneous speech*, and *inter-high school quiz bowl*, all of which challenge students to think critically, articulate their ideas effectively, and collaborate constructively. Complementing these is a lecture series or talk showcasing current and emerging research from the Department of Food Science and Chemistry (DFSC), intended to bridge academic inquiry and student engagement by presenting real-world applications of food science innovations and inspiring participants to envision themselves as future contributors to the field.

This event is scheduled to take place on **January 16, 2026**, from **10:00 AM to 5:00 PM** at the **University of the Philippines Mindanao Atrium, Mintal, Davao City**.

In line with this, we respectfully seek the support of your esteemed office in encouraging the participation of senior high schools in this initiative by issuing a memorandum endorsing the activity. Such endorsement would provide participating schools with assurance that the event is approved by the Department of Education. For your reference, the mechanics and guidelines, along with the approved activity proposal, are attached herewith.

We remain committed to upholding the highest standards of representation, safety, and responsibility throughout the conduct of this activity. Should you require further documentation or clarification, we would be pleased to provide it at your convenience.

Thank you very much for your kind consideration. We look forward to a meaningful and productive partnership with your office.

## PAFT-Lambda Chapter Panagtigiay 2026

<b>TITLE OF ACTIVITY</b>	PANAGTIGIAY 2026: <i>Nurturing Young Curiosity, Formulating the Future of Food Science and Technology</i>
<b>BRAND CATEGORY</b>	PAFTDayon Lambda Primera
<b>ACTIVITY HEAD</b>	Program Committee
<b>BENEFICIARIES</b>	Grade 11 Senior High School Students from Region 11
<b>VENUE</b>	University of the Philippines Mindanao Atrium
<b>DATE &amp; TIME</b>	January 16, 2026 10:00 AM - 5:00 PM
<b>ACTIVITY DURATION</b>	7 hours
<b>RATIONALE &amp; BRIEF BACKGROUND</b>	<p>The Philippine Association of Food Technologists, Inc., Lambda Chapter (PAFT-λ) is an academic organization at the University of the Philippines Mindanao dedicated to nurturing future food technologists and equipping them to become active contributors to both academia and industry. One of its hallmark initiatives, Panagtigiay, is an annual event that promotes the value of food science and technology among students, particularly at the high school level.</p> <p>With the theme “Nurturing Young Curiosity, Formulating the Future of Food Science and Technology,” Panagtigiay 2026 aims to spark curiosity and cultivate scientific thinking among the youth by providing opportunities to explore the dynamic and impactful field of Food Science and Technology. This year’s event emphasizes the importance of developing inquisitive and analytical minds capable of contributing to innovations in food safety, nutrition, and sustainability.</p> <p>In line with this goal, Panagtigiay 2026 features a variety of activities designed to inspire learning and creativity. These include competitions such as the <i>poster-making</i>, <i>extemporaneous speech</i>, and <i>inter-school quiz bowl</i>, all of which challenge students to think critically, express their ideas clearly, and collaborate effectively. Complementing these is a lecture series or talk showcasing ongoing and emerging research from the Department of Food Science and Chemistry (DFSC). This segment seeks to bridge academic research and student learning by introducing participants to real-world applications of food science innovations and encouraging them to see themselves as future contributors to the field.</p>
<b>OBJECTIVE/S</b>	<p>This project aims to:</p> <ol style="list-style-type: none"> <li>1. Provide an engaging platform for students to demonstrate and expand their knowledge in Food Science and Technology through academic competitions such as poster-making, extemporaneous speech, and the inter-school quiz bowl.</li> <li>2. Encourage creativity and scientific curiosity by challenging participants to connect innovation, intellect, and artistry in illustrating the event’s theme through the poster-making</li> </ol>

## GENERAL GUIDELINES

1. The contest only caters to 25 slots for all secondary schools in Region XI.
2. Each participating school must notify the organizing committee of its intention to participate in the contest on or before 11:59 PM on January 5, 2026, through the online registration form provided in the invitation letter.
3. Each participating school is entitled to be represented by bona fide GRADE 11 STUDENTS. The team is comprised of one (1) contestant for the On-the-Spot Poster-Making Contest, one (1) contestant for the Extemporaneous Speech Competition, and three (3) contestants for the Panagtiyay 2026 Quiz Bowl. They must be accompanied by one (1) official school representative delegated as coach.
4. Each participating school shall pay PHP 100.00 for each of the individual competitions they intend to participate in (On-the-Spot Poster Making contest, and Extemporaneous Speech contest) and PHP 300.00 for Panagtiyay 2026 Quizbowl.
5. Participants shall be in their prescribed uniform and shall wear their identification card upon registration and during the contest proper.
6. Registration shall take place before each competition starts. The registration schedules for the events are as follows:
  - a. On-the-Spot Poster Making Contest: 9:00 AM to 10:00 AM
  - b. Extemporaneous Speaking Competition: 9:00 AM to 10:00 AM
  - c. Panagtiyay 2026 Quizbowl: 9:00 AM to 10:00 AM
7. STRICTLY NO WALK-INS.

Lambda Chapter (PAFT - λ)  
Brgy. Mintal, Tugbok District, Davao City 8022 Philippines

## GUIDELINES FOR ON-THE-SPOT POSTER MAKING CONTEST

### General Mechanics

1. The participant must bring their own coloring materials. They are only allowed to use the following during the competition: *pencils, ball pens, markers, crayons, and/or oil pastels*.
2. The event organizers will provide a *1/4 size illustration board*.
3. The theme of the poster will be given on the day of the contest.
4. Each participant is given 1 hour and 30 minutes to finish his/her poster.
5. **STRICTLY NO TIME EXTENSIONS.**

### Criteria for Judging

CRITERION	EQUIVALENT SCORE (%)
Originality	35%
Creativity	30%
Relevance to the theme	25%
Over-all Impact	10%
<b>Total</b>	<b>100%</b>

### Winners

1. At the conclusion of the contest, the second runner-up, first runner-up, and the champion will be awarded with medals, certificates of recognition, and cash prizes. The winners will receive:
  - First Place: Php 1,000.00
  - Second Place: Php 700.00
  - Third Place: Php 500.00
2. All participants, regardless of standing, shall be given certificates of participation and tokens.
3. The participating coaches shall also be given certificates of participation.
4. All participating schools shall receive certificates of appreciation.

## GUIDELINES FOR EXTEMPORANEOUS SPEECH CONTEST

### General Mechanics

1. The participating schools may only choose one (1) student to represent their institution and compete in the Extemporaneous Speech contest.
2. Participants are prohibited from using any electronic devices to access the internet for research or receive technological assistance.
3. Each participant will draw a specific topic randomly during the contest from a pool of issues/topics that is under the theme "*Nurturing Young Curiosity, Formulating The Future Of Food Science And Technology*," specifically:
  - a. Food Science and Technology
  - b. Sustainable Development Goals
  - c. Current National Issues

## University of the Philippines – Mindanao Philippine Association of Food Technologists, Inc.

Lambda Chapter (PAFT - λ)

Brgy. Mintal, Tugbok District, Davao City 8022 Philippines

4. Participants shall be given five (5) minutes to prepare and three (3) minutes to deliver their speech. The sequence will be based on an actual draw lots done before the start of the competition.
  - a. When there are two (2) minutes remaining in the current participant's preparation time, the next participant will draw their topic and start their 5-minute preparation.
  - b. A holding area will be provided for participants to prepare and draft their outline or speech flow on papers, provided by the facilitators. However, the paper is not permitted to be used during the speech. Thus, it is collected before the student enters the stage. After the five-minute preparation period, the participant shall proceed to the stage, guided by a facilitator from the organizing team.
  - c. A timer would be provided to the contestants, judges, and audiences for transparency.
  - d. A color-coded flag will be raised to signal the specific time frames during the delivery of the speech: yellow for 2 minutes, green for 1 minute, and red for 15 seconds remaining time.
  - e. A buzzer will indicate the 3-minute mark of the speech for each contestant.
  - f. There will be a 2-point deduction for every ten (10) seconds of overtime of the speech from the judges' scores. No deduction will be incurred if the overall time does not exceed ten (10) seconds past the allotted three (3) minute speech, and will serve as a grace period.
5. The use of props, sound effects, and other paraphernalia is strictly prohibited.
6. Participants should deliver the speech in the English language.

### Criteria for Judging

CRITERION	EQUIVALENT SCORE (%)
Content and Relevance	35%
Delivery (Stage Presence & Engagement)	30%
Organization (Structure & Promptness)	20%
Language and Style (Pronunciation, Diction, & Vocabulary)	15%
<b>Total</b>	<b>100%</b>

### Winners

1. At the conclusion of the contest, the second runner-up, first runner-up, and the champion will be awarded with medals, certificates of recognition, and cash prizes. The winners will receive:
  - First Place: Php 1,000.00
  - Second Place: Php 700.00
  - Third Place: Php 500.00
2. All participants, regardless of standing, shall be given certificates of participation and tokens.
3. The participating coaches shall also be given certificates of participation.
4. All participating schools shall receive certificates of appreciation.

# University of the Philippines – Mindanao Philippine Association of Food Technologists, Inc.

## GUIDELINES FOR QUIZ BOWL

### General Mechanics

1. PANAGTIGIAY 2026 Quiz Bowl shall be composed of three rounds:
  - Easy Round
  - Average Round
  - Difficult Round
2. The questions in each round shall be within the scope of General Science (*Chemistry, Physics, Biology*) and Food Science and Technology.

### Answering Mechanics

1. A whiteboard, marker, and eraser will be provided to the participants. Clean sheets of paper and pens shall be provided for questions requiring mathematical solving. However, each team must bring their own scientific calculator.
2. The quizmaster will read the question twice. Participants are only allowed to write their answers after the quizmaster says "Go". Any team caught writing before this shall forfeit their chance to answer the present question.
3. Answers must be written legibly on the whiteboard.
4. Only complete answers will merit full credit. Incomplete and wrongly spelled answers shall be considered wrong answers.
5. Should a question require a scientific name, only an answer that is written correctly shall be considered the correct answer.
6. Participants must stop writing after the quizmaster says "Stop". A violation shall invalidate any answers to the present question.
7. All teams shall raise their illustration boards with or without an answer after the quizmaster announces, "Boards up, please".

### Quiz Proper

Table 1. Quiz proper scheme

ROUND	NUMBER OF QUESTIONS	TIME ALLOTTED	CORRESPONDING POINTS
Easy	15	5 seconds	1 point
Average	15	15 seconds	3 points
Difficult	10	30 seconds	5 points

1. The table above shows the number of questions, allotted time, and corresponding points for each round.
2. All teams are to participate in the Easy, Average, and Difficult rounds.
3. The determination of the qualifying teams shall be made jointly by the judges and the organizing committee.
4. The basis for determining winners shall be the cumulative points earned by each team across all rounds.

**University of the Philippines – Mindanao**  
**Philippine Association of Food Technologists, Inc.**  
**Lambda Chapter (PAFT - λ)**  
Brgy. Mintal, Tugbok District, Davao City 8022 Philippines

**Tie Breaking**

1. In case of a tie at the end of the last phase of this contest, a tiebreaker will immediately take place.
2. Questions of any difficulty and type will be asked until one contestant gains an advantage in score over the other.
3. The first contestant to gain a score advantage will be declared the victor of the tie and will merit the corresponding award.
4. Scores for each question shall follow that of the Difficult round.

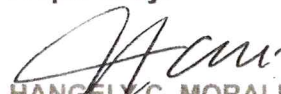

**Protest Mechanics**

1. A protest may be raised by any participant.
2. All protests shall be forwarded to the judges for decision.
3. During a protest, the contestant has the privilege of being assisted by their coach and consulting any relevant references related to the subject of the protest.
4. Protests regarding a particular question will be entertained only before the next question is read.
5. Once the next question is read, no protest regarding the previous question will be entertained.
6. The decision of the Board of Judges is final and irrevocable.

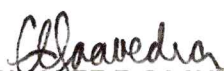

**Winners**

7. At the conclusion of the contest, the second runner-up, the first runner-up, and the champion will be awarded with medals, certificates of recognition, and cash prizes. The winners will receive:
  - First Place: Php 4,500.00
  - Second Place: Php 3,000.00
  - Third Place: Php 1,500.00
8. All participants, regardless of standing, shall be given certificates of participation and tokens.
9. The participating coaches shall also be given certificates of participation.
10. All participating schools shall receive certificates of appreciation.
